I am friendly, nice and I love laughing. I would like to spend my free time playing sports and doing volunteer work with animals because I love sports and animals. I would like to join a volleyball and swim team. I love the beach, the horses and I really love music (even if I do not know how to play anything, it is a wish). I love the nature and the ocean ( I already dived a few times). I would love if I had a sister or a brother my age in my host family. I am not an only child but the age difference is too big and we dont live together.

## LETTER FROM NATURAL PARENT/GUARDIAN

Dear host family

My name is I ; I am Camila's mother and first of all I would like to thank you for welcoming my daughter into your home at this new stage of her life and treating her like one of yours .

With encouragement from older sisters who have already done this program, Camila is very excited and open to new experiences.

She wants to know new cultures, make new friends and improve her the English language.

She is a studious, accommodating girl and will strive to adapt to new life.

I know that she will be a very cooperative teen and I'm sure she will be the same excellent daughter for you as is for me.

Thanks again

Sincerely
